

Unnati Skill Centre Okhla

INTRODUCTION : Unnati skill centre running at Pehalwan chowk Okhla, which is supported by Essel Foundation managed by Dr. A V Baliga Memorial Trust this program is very unique in 35 days we transformed the youth with a lots of skills and also provide 100% guaranteed placements. the idea is very unique because in one time we are running only one batch. Our centre has completed 2 years in the month of June 2024.

Classes Timing 9 am to 6 pm

Assembly: 9 am assembly starts after praying and some meditation we start News Topic every youth speak about new headlines there are different different topics for every day.

Values classes: These classes also conducted in assembly sessions everyday youth share their experiences on particular topics and we upload their audios in Sixer class App. So every day youth improve their communication skills.

Life Skill Classes: After the assembly life skill class starts and methodology is totally different we don't announce chapter name first we organize a role play and ask students what did they observe so every day they learn more than 50 words and change maker take topic name from youth and change maker teach youth with the help of ppt. and also show some videos related to the topic and conclude the classes after taking their experiences about the particular topic

Work place Readiness: During life skill classes youth trained how they will work as a team with the positive attitude. There are lots of topics which changed youth and ready for job.

Energizer: classes are on regular basis and continued whole day so they need some rest or break so we organize some activities and games.

Spoken English Classes: After Life Skills class and Energizer, English Speaking class starts, like life skill class role play and sometimes Change Maker share their own experiences about topics and youth guess the topic name. Once topic name announced change maker teach with the help of ppt. and youth try to speak in English on given topics. Public Speaking, Debates and Group Discussions are held on daily basis.

Computer Training: Computer classes includes basic computer, MS Office, GST and Tally. Youth learn typing skills and practice as well on daily basis

Monitoring: Unnati observe all activities of the centre through CCTV cameras and also organised atleast 5 meetings with every batch to see the changes in youth and how they are performing whether they are ready to do job or not. Time to time they organise counselling sessions of youth and one by one interact if trainees are not responding so we plan and work on those weak candidates.

LMS: (Learning Management system) There is one mobile app through which youth every day do practice on sixer class whatever they learn in the centre and they practice the same lesson at home and half an hour they use LMS at centre also.

Certification: at the time of enrollment youth register their names on NSDC portal and after the training they get certificates on their mails.

Placement: in 35 days youth get training and on 35th day all youth should be placed and if someone not interested in job so we take denying letter from them and all entries we have to fill on unnati portal on 35th day of the training
